participate in the same. The first thing to do is to get a good idea of what the market is doing. Then, if you are a beginner, you should start with a small amount of money. If you are an experienced trader, you should start with a larger amount. The next thing to do is to choose a good broker. A good broker will be able to help you with all the details of trading. Finally, you should start trading. Remember, trading is a long-term game. You should not expect to get rich overnight. You should expect to make a steady profit over time.

W. C. Irvine, New York, has been elected president of the National Association of Petroleum Dealers. He was elected to the position at the annual meeting of the association, which was held in New York City, on the 15th inst. The association was organized in 1902, and has since that time been working for the improvement of the petroleum trade in this country. It has a membership of over 1000 dealers, and its object is to promote the interests of the petroleum trade, and to secure the best possible conditions for the sale of petroleum products. The association has a number of committees, and a number of departments, and it has a number of publications. It has a number of offices, and a number of agents. It has a number of branches, and a number of members. It has a number of friends, and a number of enemies. It has a number of secrets, and a number of lies.
